### Winemaker's Notes

2017 marks our second vintage of this beautiful 100% Pinot Noir Rosé. This wine opens with pronounced aromas of red licorice and strawberry jam, and a delicate undertone of tomato leaf. On the palate this wine has bright cranberry and rhubarb notes with mouth-watering acidity. A perfect wine to enjoy on the patio with lighter fare.

### 2017 Vineyard Notes

The 2017 growing season got off to a late start, which led to a delayed bud break on the vines. However, as if a switch had been turned on, the weather warmed up dramatically and the vines were able to catch up to normal trends. This prolonged spring gave us smaller clusters, with small berries which ripened to an excellent intensity due to the long and warm summer. With optimal autumn weather and lower volumes, the vines produced very ripe fruit with vibrant colour and flavour profiles.
