Veraison: July 16th, 2015

Harvest Dates: September 26th

Bottling Dates: January 5th, 2016

Alcohol: 13.1%

Winemaker's Notes

The 2015 Viognier exhibits subtle hints of Peaches and Apricots on the nose along with fresh white flowers. Continuing with the stone fruits, nectarine dominates the palate of this full well rounded wine. The luscious mouth feel lingers long after the first sip as this wine has an extremely long finish. A perfect summer wine this will pair well with a field green salad with peaches and blue cheese or good conversation with friends on the patio!

GRAHAM PIERCE, WINEMAKER

2015 Vineyard Notes

2015 was a record breaking season weather wise. An early spring put us 3 weeks ahead of 2014. The dry weather continued as the Okanagan experienced its driest June on record. A beautiful warm summer led into a cool period in September that helped balance the ripeness of the fruit. The rest of the fall was warm which allowed for a long hang time for the fruit.

STEVE CARBERRY, WINEGROWER
